

SCHOLARSHIP GUIDELINES AND APPLICATION

The Peggy and Jack Baskin Foundation Scholarship seeks exceptional, highly motivated, low-income women attending Cabrillo, Hartnell or Monterey Peninsula College with a strong potential for making a difference in their community, including women who are re-entering the workforce. Each year, the program provides three students from the participating community colleges with a \$20,000 scholarship, to be distributed over two years. Students must be enrolled in one of these three community colleges and dedicated to enrolling in and completing their junior and senior years of their college education as full-time students at a University of California campus. Award decisions are made by the Board of Directors of the Peggy and Jack Baskin Foundation based on the recommendations of the president of the community college.

Deadline to Submit Application to Community College: _____

(determined by participating community college)

Prospective Applicants: All communication and questions should be directed through your community college until you become a recipient of the scholarship.

REQUIREMENTS

Scholarship recipients must be enrolled for at least one full year in one of the following schools: Cabrillo, Hartnell or Monterey Peninsula College. Students must use all scholarship funds within two years of community college graduation. Students must be admitted to and enrolled in a University of California campus to receive funds and must maintain good academic standing—a minimum 2.0 cumulative UC GPA. Students who fall below a 2.0 cumulative GPA or do not maintain full-time enrollment during their time in the UC system will no longer be eligible to receive scholarship funds. A Quarter/Semester Update of student progress must be given to the Baskin Foundation at the end of each term, including a performance plan if a student's GPA falls below a 3.0. Upon enrollment, the Baskin Foundation will provide the funds directly to the UC campus each relevant semester. The UC will release the funds only after the student has signed and submitted the Eligibility Verification form to the financial aid/scholarship office.

Each of the participating community colleges may nominate up to three exceptional students. Students must meet the following scholarship requirements to be eligible to apply:

- A woman with a history of outstanding academic and extracurricular success despite socioeconomic hardship
- An intent to give back to her community, in the United States
- A California resident
- A U.S. citizen or eligible noncitizen with legal permanent residency
- A current student at Cabrillo, Hartnell or Monterey Peninsula College
- A cumulative community college GPA of 3.5 or higher

- Eligible for financial aid and not currently in default on a Title IV student loan
- Eligible for Fall admission to a UC campus as a new junior-level transfer student
- Nominated to The Peggy and Jack Baskin Foundation Scholarship by the president of the respective community college

APPLICATION EVALUATION CRITERIA

The Peggy and Jack Baskin Foundation will consider a combination of the following factors when evaluating applications. These are evaluated comprehensively, with no single factor outweighing another.

- Overall grades/GPA
- Rigor of community college courses
- Educational goals and career aspirations
- Quality of personal statement
- Quality of graded writing sample
- Quality of letters of recommendation
- Volunteer work (both breadth and depth)
- Noteworthy personal life experiences/hardships
- Financial status (earning, expenses, debt)
- Community college educational accomplishments and honors
- Attention to detail in the application

GUIDELINES FOR THE PARTICIPATING COMMUNITY COLLEGE

The community college will be responsible for the following:

- Each year, the community college must sign the participation agreement/letter attached to these guidelines and distribute only the current application.
- The community college must set an internal application due date that allows for the timely submission of complete, high quality applications. In setting this due date, please consider the following:
 - Due dates of other scholarship programs. An earlier due date or due date aligned with other programs may allow for higher quality applications.
 - Sufficient time to provide feedback and support for students to edit and improve their applications.
 - Sufficient time for review and selection by the president of the community college.
- The community college president must nominate three exceptional women to be considered for this scholarship. By **March 15**, the community college must provide the Baskin Foundation with the top three candidates' complete applications, according to the Student Application Instructions attached.
- Each application must include a copy of the Information Release Form signed by the student and Community College representative so that the Baskin Foundation can obtain relevant information regarding the student's financial aid, grades, transfer records, etc. (Note that the student will sign another copy of this form to give to the UC campus.)
- The community college and/or student will notify the Baskin Foundation of student admittance to and intent to enroll in a UC campus as soon as this information is available.
- In March, the Baskin Foundation will select the recipients from each college's nominees. The Baskin Foundation will notify the community college counselor by **April 15**. The counselor will inform the scholarship recipients of their award.
- When the Foundation determines that no candidate from a given college satisfactorily meets the selection criteria, no scholarship is awarded. The scholarship may be carried over to next year when two or more are available.

TIPS FOR THE PARTICIPATING COMMUNITY COLLEGE

- Publicize the scholarship opportunity early and often.
- Make a request to faculty each year to ask for nominations of outstanding students.
- Utilize existing resources, such as a writing skills tutor, to review applications and work with students on improvements before final submission.
- The Baskin Scholarship emphasizes both outstanding academic background *and* clear financial need. Please keep this in consideration when selecting nominees.
- The Baskin Scholarship does not support any/all student(s) eligible for admittance to a UC campus. We seek truly exceptional women who are outstanding among their peers. Please keep this in consideration when selecting nominees.

GUIDELINES FOR THE PARTICIPATING UNIVERSITY OF CALIFORNIA CAMPUS

The University of California Campus will be responsible for the following:

- The UC campus will receive direct payments from the Baskin Foundation before the beginning of each term. The Foundation will include a copy of the Check Submission Form and the student's Scholarship Eligibility Verification Form with the payment.
- Once the funds have been received, the UC campus will sign and return the Check Submission Form to the Baskin Foundation.
- The UC campus will review the student's status at the time of disbursement. If the student's cumulative GPA falls below 2.0 or if the student does not enroll full-time, the UC will hold funds and immediately inform the Foundation.
- The UC campus' financial aid department will assist the Foundation in ascertaining relevant dates specific to their campus: tuition bill date, availability of final grades, etc., by completing and returning the UC Information Submission Form.

The student will contact the University of California Campus for the following:

- Prior to the student registering for classes, she will submit a signed Information Release Form so that the Baskin Foundation can obtain relevant information regarding the student's financial aid, grades, transfer records, etc. The UC campus will sign this form and the student will return it to the Foundation.
- Once the student has enrolled, she will request that an official verification of enrollment or a letter from the registrar's office confirming enrollment be sent to the Baskin Foundation.
- At the end of each term, the student will submit a brief Quarter/Semester Update to the UC campus for review and signature. The UC campus will verify the student's academic progress and fund status. The student will send the completed documents to the Foundation.
