

SCHOLARSHIP GUIDELINES AND APPLICATION

The Peggy and Jack Baskin Foundation Scholarship seeks exceptional, highly motivated, low-income women – including women re-entering the workforce – who are attending Cabrillo, Hartnell, or Monterey Peninsula College and who have a strong potential to make a difference in their community. Each year, the program provides three students from the participating community colleges with up to \$20,000 in scholarships, to be distributed over two years. Students must be enrolled in one of these three community colleges and dedicated to enrolling in and completing their junior and senior years of their college education as full-time students at a University of California campus. The Scholarship Committee of the Peggy and Jack Baskin Foundation will make award decisions after reviewing the applications selected the president of each community college. The Foundation seeks to prioritize the applications of low-income women and women of color, and encourages women of all backgrounds and citizenship statuses to apply.

Deadline to Submit Application to Community College: _____

(determined by participating community college)

Prospective Applicants: All communication and questions should be directed through your community college until you become a recipient of the scholarship.

REQUIREMENTS

Scholarship recipients must be enrolled for at least one full year in one of the following schools: Cabrillo, Hartnell or Monterey Peninsula College. Students must use all scholarship funds within two years of community college graduation. Students must be admitted to and enrolled in a University of California campus to receive funds and must maintain good academic standing—a minimum 2.0 cumulative UC GPA. Students who fall below a 2.0 cumulative GPA or do not maintain full-time enrollment during their time in the UC system will no longer be eligible to receive scholarship funds. A Quarter/Semester Update of student progress must be emailed to the Peggy and Jack Baskin Foundation at the end of each term, including a performance plan if a student's GPA falls below a 3.0. Upon enrollment, the Peggy and Jack Baskin Foundation will provide the funds directly to the UC campus each relevant semester. The UC will release funds once the student's enrollment and financial aid status for the upcoming school year is verified.

Each of the participating community colleges may nominate up to three exceptional students. Students must meet the following scholarship requirements to be eligible to apply:

- A woman with a history of outstanding academic and extracurricular success despite socioeconomic hardship
- An intent to give back to their community, in the United States
- A California resident

- A U.S. citizen, eligible noncitizen with legal permanent residency, or undocumented students (AB 540 eligible)
- A current student at Cabrillo, Hartnell or Monterey Peninsula College for at least one full year
- A cumulative community college GPA of 3.5 or higher
- Eligible for financial aid and not currently in default on a Title IV student loan
- Eligible for Fall admission to a UC campus as a new junior-level transfer student
- Nominated to The Peggy and Jack Baskin Foundation Scholarship by the president of the respective community college
- Students applying to other large scholarships are eligible to apply to The Peggy and Jack Baskin Foundation Scholarship, but lose eligibility if they are awarded, and accept, another large scholarship. The Foundation maintains this policy in order to ensure that as many students as possible receive scholarships to be able to attend the UC of their choice.

GUIDELINES FOR THE PARTICIPATING COMMUNITY COLLEGE

The community college will be responsible for the following:

- Each year, the community college must confirm their participation via email and distribute only the current application materials.
- The community college must set an internal application due date that allows for the timely submission of complete, high quality applications. In setting this due date, please consider the following:
 - Due dates of other scholarship programs. An earlier due date or due date aligned with other programs may allow for higher quality applications.
 - Sufficient time to provide feedback and support for students to edit and improve their applications.
 - Sufficient time for review and selection by the president of the community college.
- The community college president must nominate three exceptional women to be considered for this scholarship.
- By **March 15**, the community college must provide the Baskin Foundation with the top three candidates' complete applications, according to the Student Application Instructions attached.
- Each application must include a copy of the Information Release Form signed by the student and Community College representative so that the Peggy and Jack Baskin Foundation can obtain relevant information regarding the student's financial aid, grades, transfer records, etc. (Note that the student will sign another copy of this form to give to the UC campus.)
- In March, the Peggy and Jack Baskin Foundation will select the recipients from each college's nominees. The Foundation will notify the community college counselor by **April 15**. The counselor will inform the scholarship recipients of their award. The community college and/or student will notify the Foundation of student admittance to and intent to enroll in a UC campus as soon as this information is available.

- In the event that the Peggy and Jack Baskin Foundation determines that no candidate from a given college satisfactorily meets the selection criteria, no scholarship is awarded. The scholarship may be carried over to next year when two or more are available.
- Students may apply for the Peggy and Jack Baskin Scholarship even if they are being considered for other large scholarships. However, if a student is chosen as a recipient for both the Peggy and Jack Baskin Scholarship and another scholarship, such as the Pister Leadership Opportunity Program, the student must decide which scholarship to accept. If the recipient does not choose to accept the Peggy and Jack Baskin Scholarship, it will be awarded to the Foundation's runner-up. The Foundation maintains this policy in order to ensure that as many students as possible receive scholarships to be able to attend the UC of their choice.
- If an applicant for the Peggy and Jack Baskin Scholarship accepts other scholarships that would cause their total combined scholarship amount to exceed \$20,000 over two years, then they will no longer be considered in the selection process.

TIPS FOR THE PARTICIPATING COMMUNITY COLLEGE

- Publicize the scholarship opportunity early and often.
- Make a request to faculty each year to ask for nominations of outstanding students.
- Utilize existing resources, such as a writing skills tutor, to review applications and work with students on improvements before final submission.
- The Peggy and Jack Baskin Scholarship emphasizes both outstanding academic background *and* clear financial need. The Foundation would like colleges to prioritize submitting applicants who are women of color, immigrant women, and/or undocumented residents who are AB 540 eligible. Please keep this in consideration when selecting nominees.
- The Peggy and Jack Baskin Scholarship does not support any/all student(s) eligible for admittance to a UC campus. We seek truly exceptional women who are outstanding among their peers. Please keep this in consideration when selecting nominees.

GUIDELINES FOR THE PARTICIPATING UNIVERSITY OF CALIFORNIA CAMPUS

The University of California Campus will be responsible for the following:

- The UC campus will receive direct payments from the Peggy and Jack Baskin Foundation before the beginning of each term. The Foundation will include a copy of the Check Submission Form with the payment. Once the funds have been received, the UC campus will sign and return the Check Submission Form to the Peggy and Jack Baskin Foundation.
- The UC campus will review the student's status at the time of disbursement. If the student's cumulative GPA falls below 2.0 or if the student does not enroll full-time, the UC will hold funds and immediately inform the Foundation. The payment is to be disbursed over three quarters or two semesters, as identified on the Check Submission Form.

- The UC campus' financial aid department will assist the Foundation in ascertaining relevant dates specific to their campus: tuition bill due date, availability of final grades, etc., by completing and returning the UC Information Submission Form.

The student will contact the University of California Campus for the following:

- Prior to the student registering for classes, they will submit a signed Information Release Form so that the Peggy and Jack Baskin Foundation can obtain relevant information regarding the student's financial aid, grades, transfer records, etc. The UC campus representative will sign this form and the student will return it to the Foundation.
- Once the student has enrolled, they will request that an official verification of enrollment or a letter from the registrar's office that will be sent to the Peggy and Jack Baskin Foundation.
- At the end of each term, the student will submit a brief Quarter/Semester Update via email to the Peggy and Jack Baskin Foundation. This Update consists of a completed form and associated documents, emailed to the Foundation by the date listed on our website. Please note: the Quarter/Semester Update Form *does not* require a signature from a UC campus Representative. Students are wholly responsible for completing and submitting this form at the end of each term, but may contact their UC Campus to obtain financial information.

- Immediately upon enrollment in their first term at a UC campus, the student must send official enrollment verification or a letter from the registrar’s office confirming enrollment to the Peggy and Jack Baskin Foundation. These can be obtained from the UC campus registrar’s office.
- At the end of each term, the recipient will collect information from the UC financial aid department for their Quarter/Semester Updates. The student will submit the Quarter/Semester Update Form and attachments to the Baskin Foundation by email.
