We try to reduce administrative burdens as much as possible; however, in order to help us understand if our intersectional feminist missions are still aligned, or if there have been significant changes to your organization or programming from your organization's last submitted proposal, we will ask for a phone call check-in, brief grant report, or we will use the newsletters, email updates, or annual reports already generated by your organization.

Please email this Grant Report Cover Sheet with the Grant Report Narrative to Foundation staff.

In order to conserve time and effort, please feel free to cut and paste from a grant report you submit to us or another funder, or use content from your website. If your organization utilizes a grant report format that differs from the Grant Report Narrative outlined below, please feel free to submit that instead.

No further grant requests from your organization can be considered until this report has been completed and returned.
